

# Autumn Term 2 Year 3

## What's happening this term?

### Maths

Addition, subtraction, shape and place value

### English

Charlie and the Chocolate Factory By Roald Dahl

### RE

Advent and Mary

### Science

Light

### Computing

Expresso Coding

### PE

Wednesday-Dance and Thursday-Basketball

Mrs. Brett and the Pass and Move coach will be teaching RE and PE for both classes on a Thursday afternoon. 3SH will be taught by Mrs. Brett on Thursday morning.

**Children must come in their PE kit on Wednesday and Thursday for PE and Games**

## Homework

### Reading

In the juniors, it is an expectation that children read at least **four times** a week. This will be monitored on a weekly basis. Please support your child by listening to them read at home whenever possible. Most children are now able to read independently and record in their books, though you **must** have observed them reading and sign their book please.

### Times Table Rock Stars

Children are required to complete at least 20 minutes of TTRS every week. Children can also use the same login to access Numbots which is an optional addition. Certificates for TT

Rockstars, Numbots, Lexia and Maths Whizz will be given out each week and also during special assemblies.

### Spellings

We will continue to teach and test the children on their spellings each week. The children will write the spellings they are working on each week in their reading record on Monday. Any additional practice at home is appreciated. The spelling Quiz will happen on a Friday and there are game links to each set of weekly spellings on our Y3 Google Classroom for children to practice online.

*\*These are spellings for the entire Autumn Term. To help support, challenge and build confidence, some children might have more or less weekly spellings this term.*

Don't forget to sign up to Google Classroom as well, so you can see photos of what we get up to in Y3! Please ask if you are not sure.

**Thank you for all your support at home.  
Mr. Noakes and Mrs. Holdt**
